

The Princess Margaret Cancer Foundation UHN

May 1, 2014

Dear Friends and Supporters,

The Princess Margaret Cancer Foundation is pleased to welcome **Team Ian** as a community supporter in our 2014 Special Events line up. On Friday August 15th to Sunday August 17th, 2014 a group of dedicated bikers will ride 280 kms from Kingston to Montreal in support of the **Ian Lawson Van Toch Cancer Informatics Fund** at Princess Margaret Cancer Centre. The goal of this fund, along with the support of Dr. Igor Jurisca, is to provide opportunities for young scientists to help them launch their careers in the field of cancer informatics.

The Princess Margaret Cancer Foundation works with health care and research professionals, patients, their families and the community to ensure The Princess Margaret remains one of the top 5 cancer centers in the world. Investing its communities' contributions in breakthrough cancer research, compassionate patient care and education has brought The Princess Margaret Cancer Foundation closer to achieving its vision - **To Conquer Cancer In Our Lifetime**.

The Princess Margaret Cancer Foundation is a registered charity in Canada and our Charitable Registration Number with the Canada Revenue Agency is 88900 7597 RR0001. We hope that you will support **Team Ian** with a monetary or in-kind donation. All monetary donations of \$15 or more will receive a charitable tax receipt.
